Chairman's Comments

Our Member's night meeting on Thursday 14th May was an interesting experiment. The Church Orchard visit was a huge success, enjoyed by all despite the cool weather. At the Memorial Hall we had three very good speakers providing diverse topics of interest, including Chris Mornington's talk outlining the work of Sue Ryder care at Manorlands, with a view to forming an Addingham support Group to organise fundraising. To date four people have expressed an interest. It will be very helpful if others can volunteer their help; so please contact me initially on 01943 : 839605 if you would like to be involved in discussions to set up this group (which will not be connected to the Civic Society). The other two speakers, Brian Aldred on the Wharfedale Press & Pete Severs on St.Conan's Church at Argyll & Bute completed an evening of very interesting entertainment. It was good to be able to showcase Members talents so thanks to all for giving their time & expertise. Most importantly please support the event on Saturday June 13th. Your attendance will be appreciated and all proceeds go to the Society's very worthy Playground Project.

Village & Society News

Please don't forget that our June meeting is as per the front page, on Saturday June 13th. at the Memorial Hall. This promises to be an informative and interesting meeting sending us away feeling how fortunate we are to be living in the 21st.century with all the advantages of medical science available to us. In addition Dr.Suleman will update us on the Medical Centre and what is happening nationwide in the NHS.

ADDINGHAM CIVIC SOCIETY & THE CHILDRENS' PLAYGROUND

One of our largest, and most exciting, capital projects so it will come as no surprise when I tell you that we continue to receive tremendous encouragement. Our application for a grant has been submitted and we expect to learn the result towards the middle of June. However,we have to be able to demonstrate tangible evidence of your support and will be sending a special newsletter to every household in Addingham asking them to return a reply slip,confirming support.Plus a date for your diary, Saturday July4th at Addingham Memorial Hall when we will be showcasing the proposal with copies of the drawings + MORE

YORKSHIRE IN BLOOM JUDGING —MONDAY JULY 13TH 2.00PM

Addingham Garden Friends are hoping that sunshine on July 13th will enhance the village and urge everyone to garden and tidy up around their own "patch" After last years impressive display they would again like to ask the shops and businesses to make a special effort. Maybe a floral window display and lots of baskets and planters. They wish everyone good luck and happy gardening This is a village effort for everyone.

On May 4th St. Peter's Church Hall re-opens after 34 weeks, following the fire, and afternoon teas will be available from 14:00-1700hrs. and their annual fete will be on June 13th.

Two new information boards have been installed at either end of the Church Field, charting the history of and creating a Christian Time-Line for Addingham.

A Town & Country Planning application has been lodged for the rebuilding of the Good Food Shop. The application confirms that the original shape of the frontage,so important to the aspect, and the original stone,will be retained and re-used.

It comes as no surprise that the visit to the Church Orchard was an outstanding success,once again our sincere thanks to Derek Law. There is mention of a further event, if confirmed details will follow.
